

Section I- General Information

Space Name: Crawl Space
Space No./ID: 025002
Space Location: MURKLAND HALL B00ZPA

Space Description: Crawl space w/ dirt floor accessed through 3'x3 hole in wall in back of room B02. Contains multiple pipes/utilities. Floors slope upward toward ceiling in back of space narrowing to approx. 2-3' clearance.

Section II- Confined Space

Table with 4 columns: Question, Yes, No, Comments. Rows include: Can you enter and perform assigned work?, Are there limited/restricted means for entry or exit?, Is space not designed for continuous employee occupancy?

If answer to all three above are yes, the space in question is considered a confined space. If it is determined the space is a confined space, complete section II to determine if space is considered a permit required confined space.

Section III - Permit Required Confined Space

Table with 4 columns: Question, Yes, No, Comments. Rows include: Contains or has the potential to contain a hazardous atmosphere?, Contains a material that has the potential for engulfing the entrant?, Has an internal configuration such that an entrant could be trapped or asphyxiated..., Contains any other recognized serious safety hazard?

If the answer to any one of the above in section two is yes, the space in question is considered a permit required confined space.

Section IV - Comments/Other

Please list or identify any additional comments or concerns below such as description of entry portal, access restrictions and/or traffic concerns, etc...

Greater than 4' vertical travel
Horizontal Entry 3'X3' hole in wall

Can space be reclassified? Yes No X

Can alternate procedures be used? Yes No X
